DISMISS UNLESS documents/amendments received by end of business 9/2: AND attorney pre-calls with Trustee's staff attorney on 9/3 and resolves:

The Chapter 13 Trustee has reviewed the Debtor's proposed Second Amended Chapter 13 Plan and identifies the following deficiencies which prevent confirmation of the plan in its current form:

- 1. The Second Amended Plan fails to provide for payments during months 1-25 of the plan** – Debtor to amend the plan to begin plan payments in month 1,
- 2. The Second Amended Plan does not provide for the Trustee's Fee** – Debtor to amend plan to provide for the Trustee's Fee in Section II.A.1 of the plan (Total Due/0.9),
- 3. The Second Amended Plan fails to provide equal payments for the cure and maintain payments to be paid to secured creditor, South Winds Condominium Association, Inc.,** - Debtor to amend plan to provide for equal monthly payments *of both the cure and maintain payments* in Section III.A.1, beginning in month 1 – Trustee notes that a cure of the amounts owed per Dkt. No. 188 would be \$788.06/m for months 1-60 and pursuant to Creditor's Objection to Confirmation at Dkt. No. 193 \$217/m months 1-5 and \$227/m months 6-60 for the maintain payments,
- 4. The Second Amended Plan does not provide for any distributions to the general unsecured creditors** – Debtor to amend plan to check box for 100% language and pay 100% of the allowed unsecured general claims, for a total of \$4,213.42 or \$70.22/m for months 1-60 in Section V of the plan – Trustee notes Debtor's liquidation test is \$216,466.98
- 5. The Second Amended Plan does not appear feasible** – The Trustee notes the Debtor's Schedule J reflects that the Debtor has a disposable income of \$742.16/m, which is insufficient to fund the plan
- 6. Other:** The Trustee notes Debtor appears to have diminished the estate by transferring an asset of the estate, Debtor's non-homestead property located 7915 Camino Real, Unit N-302, post-petition without court approval (Book No. 34564, Page 3871)
