One time continuance to 11/17, Due on or before 10/30: Upon pre-call with Debtor's Counsel, Debtor to provide all documents to substantiate Debtor's bare legal title ("BLT") interest in #3929 and #1151 listed in Schedule A/B. Trustee notes Debtor's Third Amended Chapter 13 Plan (Dkt. No. 46), filed after Trustee's recommendation to confirm Debtor's Second Amended Plan, is not confirmable as it fails to pay the CH7 liquidation test in violation of the Bankruptcy Code. Additionally, Debtor's Counsel to file Fee Application discussed during pre-call and set same for November 17, 2026. Trustee objects to any time entries relating to the newly alleged BLT claims as Debtor did not assert this exemption at the inception of the case and Debtor's eligibility for said exemption, upon due diligence of Counsel, should have been known to the Debtor at the time the petition and relevant Schedules were filed. Possible indication of bad faith as the Debtor did not assert this position until ten (10) months after the filing of the case, Trustee's recommendation to confirm the Second Amended Chapter 13 plan and Counsel's desire to file a Fee Application. Additionally, a review of the Third Amended Plan provides that same was not filed on the new local form-See Dkt. No. 47, was not served, does not fund month 6 and needs to be amended to correct Section II.B that contains overlapping months

Due on or before 10/30: Fee Application not continued from September chapter 13 calendar-trustee insure whether matter will be reset once adversary is resolved and 1) Amend Schedules to reflect income from non-homestead property (rented to daughter)-amended schedules have yet to be filed upon trustee review, 2) Provide additional proof of rent payments-trustee received bank statement for February payment, provide proof of March, April, May and June payments, 3) Why are accounts receivable of MPT 6605 closed business not listed on schedules? Schedules have not been amended at time of trustee review, 4) Debtor appears to be going out of pocket for retaining non-homestead property as rental payment is only \$3,750.00 while plan provides for higher amount and is objectionable unless debtor pays same amount debtor is going out of pocket to unsecured creditors as the property is not necessary for an effective reorganization and is non-homestead property, 5) Provide legible liability of SBA liability for Super Express pursuant to letter of explanation and balance sheet same is \$150,000.00-provide loan documents for this loan all SBA documents provided with SBA are not for Super Express, 6) What was source of funds debtor used to loan son funds and why are those installment payments not listed as income on schedules?
