FINAL CONTINUANCE to 12/1: The Chapter 13 Trustee has reviewed the Debtor's proposed Fifth Amended Chapter 13 Plan and identifies the following deficiencies which prevent confirmation of the plan in its current form and recommends dismissal of the case:

1. **The Fifth Amended Plan does not fund months 1-36** – Trustee notes the plan does not provide for the Trustee Fee
2. **The Fifth Amended Plan does not provide for treatment of Teach Team, Inc., listed on Schedule G** – Trustee notes all executory contracts are to be provided for in Section VII
3. **The Fifth Amended Plan does not pay the CH7 Liquidation Test** – The Trustee notes the CH7 Liquidation Test is $279,568.77 (unless Debtor elects to check the 100% language box in a subsequently filed amended plan)
4. **The Fifth Amended Plan provides for payments to a secured creditor for which no proof of claim is filed nor MMM motion filed** – The Trustee notes that the Fifth Amended Plan proposes to make MMM payments to Carrington Mortgage, however, Trustee notes that Carrington Mortgage has not made an appearance in this case nor filed a Proof of Claim in this case (Bar Date was 3/23/26). Additionally, Debtor has not filed an Unrepresented Debtor's Verified Motion for Referral to Mortgage Modification Mediation (MMM-LF07) as required to participate in the MMM program.
5. **The Fifth Amended Plan continues to contain typographical errors or omissions**– Trustee notes the Fifth Amended Plan still does not select "included" for Non-Standard Provisions in Section I as plan provides for MMM

26TH CONFIRMATION HEARING – PENDING OVER 27 MONTHS
4AP NOT SERVED
If debtor appears, confirms service, agrees to vesting and the recommendation on the record:

JUDGE: The Chapter 13 Trustee has reviewed the Debtor's proposed Fourth Amended Chapter 13 Plan and identifies the following deficiencies which prevent confirmation of the plan in its current form:

1. **The Fourth Amended Plan fails to properly fund months 1-60 as it improperly calculates the Trustee's Fee & does not provide for payments to the unsecured general creditors –** Trustee notes that adding the amount owed to the unsecured general creditors (added in bold), Trustee's fees should be calculated as follows for payments to be made for months 1-5, $770.45 + 216.00 + $**70.22** = $1,056.67divided by .9 = $1,174.08/m and for 6-60, $770.45 + 227.00 + **$70.22** = $1,067.67 divided by .9 = $1,186.30

2. **The Fourth Amended Plan fails to pay the cure amount of $47,283.53 per Dkt. No. 188 in full to secured creditor, South Winds Condominium Association, Inc., in Section III.A.1.**, - Trustee notes the cure payments are underpaid as cure payments total $46,227.00

3. **The Fourth Amended Plan fails to provide for 100% of the allowed unsecured general claims** – Trustee notes that the Debtor did check the box for 100% language, but removed the plan payments to the creditors in the total amount of $4,213.30 (previously correctly disclosed on Debtor's 3AP) – which would call for a payment of $70.22/m, if divided over the 60 months of the plan

4. **Other**: The Trustee notes Debtor appears to have diminished the estate by transferring an asset of the estate, Debtor's non-homestead property located 7915 Camino Real, Unit N-302, post-petition without court approval (Book No. 34564, Page 3871)

Objection (193) of South Winds
